

## Hydromissions® Independent Sales Associate Agreement

As a Hydromissions sales associate, you are considered an "independent contractor." You determine how, when and where to sell our soap according to what is most convenient for you.

U.S. associates receive a commission from soap sales in the form of a monthly check (currently \$1.00/bar). European associates earn a commission of € 1 euro/bar (rather than receiving a check, you will withhold the € 1 euro/bar from your order payment). Shipping is already factored into the final sales price on the order form. You are responsible for reporting and paying tax on your income from soap sales. At the end of each year, if you have made more than \$600 from selling soap, we will send you a 1099 form for your income tax records (applies to U.S. citizens only).

Payment for soap is made directly to you by the customer. A minimum of 35 bars (and exactly 65 bars for European associates) is required to place an order. Once you have enough sales to place an order, U.S. associates will send a check to "**Cooky's Soaps & More**" (Europeans pay via Paypal) for the full amount along with a copy or email of your order form. Once we receive payment, we will ship the order directly to you. After receiving the soap, you distribute the orders to your customers. At the end of each month, we will send you the commission for your (U.S.) sales. It's that simple.

To better serve customers, we reserve the right to list your name and contact information on our website. Hydromissions reserves the right to discontinue this retail agreement at any time for any reason without prior notification. Hydromissions® and its logo are trademarks of Hydromissions International, LLC.

I, \_\_\_\_\_ have read, and have chosen to become an independent retailer of Hydromissions International Fine Quality Soaps. I have read, understand, and agree to comply in full with the above stated agreement.
